Brooklyn Rapid Transit Companies Answer Complaint to Public Service Board.

OPPOSE FIVE CENT RATE

Insist That the Commission Has No Jurisdiction in the Matter.

The Public Service Commission to-day made public the answer of the Brooklyn Rapit Transit companies in reply to the complaint of Scott MacReynolds and J. Monheimer that they exact a fare of ten cents from Park Row to Coney Island. The companies making answer are the Brooklyn Union Elevated Railroad Company, the Brooklyn Heights Railroad Company, the Nassau Electric Railr ad Company, the Brooklyn, Queens County and Subur-Railroad Company and Coney Island and Gravesend Railway Com-

All the answers repeat the denial so often made that the companies are charging more than the legal fares on any of the lines.

It is declared that the average distance travelled by each passenger who pays a total fare of 10 cents exceeds ten miles. The distance from the Manhattan terminal of the Brooklyn Bridge to Thirty-seventh street by the West to Thirty-seventh street by the West End, Sea Beach and Cuiver lines is given as 5.35 miles, and from that point by the Sea Beach line to the West End Terminal steam surface railroads is six miles, making the total length of the Sea Beach line 11.36 miles, which is also the distance of the Cuiver line. The length of ride on the West End line is 11.54 miles, and that on the Brighton Beach line 12.3 miles, The Vandertline avenue line is 11.06 miles, the Union street line 10.38 nales, the Reid avenue line 12.35 miles, the Nostrand avenue line 12.35 miles, the Tompkins-Cuiver line 12.35 miles, the Tompkins-Cuiver line 12.35 miles, the Fifteenth street line from Hamilton Ferry sal miles. defendant less than 10 per cent, per annum upon the capital actually ex-pended, and said Commission has no jur sdiction or authority to make any reduction in such rates of fare."

The answer of the Brooklyn Heights company alias the old company clies the old charters and franchises to which it succeeded and says that by virtue of various general and special statutes, ordinances, local franchises and consents of local authorities, which constitute contracts, the defendant is authorized to charge the rates of fair charged by it in the operation of all the railroads operated.

# PACKERS LOSE AND MUST PAY FINES

High Federal Court Rules That Elkins Law on Rebates Was Violated

WASHINGTON, March 16 .- The proceeding by the Government against the Armour Packing Company, Swift & Co., Morris & Co. and the Cudahy Packing Company, all of them operating in Kansas City, Kan., under which the companies were each fined \$15,000 by the United States Circuit Court for the Western District of Missouri, on the charge of receiving rebates contrary to the provisions of the Elkins act, was decided by the Supreme Court of the United States to-day adversely to those

decided by the Supreme Court of the United States to-day adversely to those companies.

The Court's opinion was announced by Justice Day, who held that the Elkins act is applicable to transportation anywhere and that an offense is not confined to the initial point. He also held it applicable alike to shipper and carrier. The decision of the lower courts in the complementary case against the Chicago, Burlington and Quincy Ruilroad Company holding that company responsible for granting the rebates to the packers and fining that company for the offense also was affirmed.

Justice Brewer dissented from the view of the court on the ground that the decision would work a violation of contract "which," he said, "shocks his sense of justice."

The chief justice and Justice Peckham concurred in Justice Brewer's decision. They also held the Missouri court to be without jurisdiction.

# **HUGHES WILL NOT** PARDON GILLETTE

Governor Prepared for Decision on Plea of Convicted

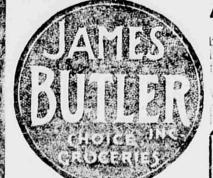

ALBANY, March 16.—Gov. Hughes will not interfere in any way with the execution in the week beginning March 80 of the death sentence upon Chester GMette, of Cortland, convicted of the murder of Crace, or "Billy," Brown, of South Otselic, Chenango County, at Big Moose Lake in the Adirondacks in Judy, 1906, and now in the "death cell" at Auburn prison.

the matter for publication this afternoon, but it can be stated authoritively that he has carefully read not only the unanimous opinion of the Court of Ap-peals affirming Gillette's conviction, but also the evidence in the case and entertains no doubt of Gillette's guilt.

It was reported to day that Gillette's mother was on her way here to appeal to Gov. Hughes to save her son's life, but up to a late hour she had not appeal at the Executive Chamber.
